

Honor A Teacher Holiday Gift

It is December, the time when many parents try to find “a little something special” for their child's favorite teacher. The **Honor A Teacher Holiday Gift** from the Onalaska Foundation For Educational Excellence offers parents and students the option of giving a gift that makes a real difference, not just this year, but for years to come.

When you make a donation in a teacher's honor, a special personalized holiday greeting card will be sent to the teacher informing him or her that you and your child have made a donation. The amount will not be disclosed. With a donation of any size, you can thank as many teachers as you want!

The Foundation will use your donation to support educational programs in the Onalaska schools. In the past ten years, we have given out over \$61,000 in grants to innovative teachers who have educational ideas that cannot be funded with the school's regular budget. We are pleased to support environmental education, a variety of scholarships, and other educational endeavors in Onalaska.

In order to participate in the **Honor A Teacher Holiday Gift** program and to ensure that your honored teacher gets his or her holiday card and special message during the holiday season, please make sure the Foundation receives the form on the back of this announcement and your contribution by Friday, December 17, 2010. You may also donate online, but these cards will not be sent until after the first of the year.
